**Faith Talk:**

Discuss in your household or small group:

- Share about a good party or celebration you have attended. What made it special?
- Jesus performed a miracle at the wedding party at Cana which helped out the couple being married. Share about a time when you felt God helping you.
- Jesus changed water into wine. What changes has he brought about in your life?

**Devotional Practices:**

This Sunday's epistle reading from 1 Corinthians 12:1-11 teaches us that the Christian community is filled with gifts of the Spirit. These gifts enable some of us to be teachers or counselors, prophets or preachers, healers or leaders.

As part of your household devotion times this week, talk about the gifts of the Spirit you see at work in one another. Which household members reveal these gifts?

- ability to communicate well with others;
- wisdom about how to live;
- a healing touch;
- understanding of others' needs;
- ability to express one's faith.

**Service:**

Who in your community is preparing to be married? Work together as a household to write a prayer for them. Use it this week in your household devotion times. Send a copy of the prayer to them, letting them know that you have been praying for them.

**Rituals and Traditions:**

Jesus' appearance at the wedding at Cana shows that God loves weddings, and desires to bless married couples that want him to be part of their lives. This week is a good time for husbands and wives to share with their children about their own weddings, and what part Jesus plays in their marriage. They may wish to show wedding photos and reminisce with their children about the day of their wedding.
