

Bethel COVID Guidance, updated October 21, 2020:

- Masks are required in the building, whether you are vaccinated or not, for worship and all other programming. Staff will wear masks during the workday as well.
- **We can now sing under our masks in the Sanctuary!**
- Outdoor worship will continue without masks and with singing. Please provide generous space between yourself and other groups.
- The nursery will continue to be open at both services - staff are vaccinated and will be wearing masks.
- Safety precautions are in place: hand sanitizing stations, upgraded ventilation systems, pre-packaged Communion to pick up as you enter and bring to your seat, and additional social distancing spacing by sitting in the CLC.
- Offering plates are positioned at the Sanctuary exits.
- Following the service, you are welcome to enjoy coffee hour in the CLC. Please only remove masks when actively eating or drinking.

And of course...

- If you are ill or have been in contact with someone who is quarantining or has tested positive for COVID 19, please stay home.
- In-person worship is still deemed high risk by the CDC for those who are unvaccinated and/or members of vulnerable populations.
