

BETHEL'S COVID PROTOCOLS - Updated by Task Force 06/07/22

Bethel will continue to follow the Northfield School District and CDC recommendations.

- Masks will be recommended, but not required, for most activities within the church.
- The 8:30 a.m. service will be masks recommended but not required. The 10:30 a.m. will be outside; masks are optional. If poor weather requires us to move inside the church for 10:30 worship, masks will be required. This will allow congregants to have a choice depending upon their comfort level/health concerns/small children/etc.
- N95 masks are encouraged as the best solution to maximize personal safety as well as the safety of those around us.
- Nursery staff and children will continue to require masks as this is an unvaccinated group.

And, of course...

- If you are ill or have been in contact with someone who is quarantining or has tested positive for COVID 19, please stay home.
- In-person worship is still deemed high risk by the CDC for those who are unvaccinated and/or members of vulnerable populations.
