Special Requests

If you would like your child in a Sunday School class with a particular teacher or friend, please indicate that here: _____

Requests will be honored as we are able.

_____ Please do NOT include pictures of my child on the Bethel website and Facebook page

*Occasionally we will post pictures on our website and Facebook page of activities and events that take place at Bethel. If you do not check the above line, we will assume that we have your permission to post a picture with your child in it. We will never attach names to any photo to identify participants.

If you have children who will attend Limitless!, please indicate where you can be reached between 3:30 and 5:45 each Wednesday:

Mother _____ Father _____ Guardian _____

If we are unable to locate your child or you at any of the above phone numbers, is there anyone or any place else we should call? If yes, who and at what phone number? _____

Limitless! Absences

Please let us know by NOON on the day you child will be absent.

It is vital that you let us know if your child will not be attending Limitless! on a specific date. Unless we hear from you we assume that your child will be in attendance and we will begin to search for her/him if they do not arrive on the bus. Our first call will be the school to make sure the child was in attendance that day. Our next calls will be your cell phone, work phone, and home phones. It is very helpful if you can let us know no later than noon on the day they will be absent so that we can let the bus shepherds know that they will not be riding the bus that day. Thank you for your cooperation with this very important step in keeping your child safe.

When will you pick up your child(ren) from Limitless!?

See the Limitless! Schedule on page 6 of the Children's Ministry Road Map. If your child will not be staying for the entire afternoon for any other reason, please indicate at which time you will be picking them up:

4:25

4:50

5:20

5:45

*Please pick your child up at one of these scheduled times as it is distracting to our leaders and participants when students are pulled out of an activity already in session. Thank you!
