Time and Talent Opportunities 2023 - 2024

Sharing Christ's love with a big heart

How would you like to be involved at Bethel? Your time and talent keep our vibrant ministries going and growing as we change lives and serve our neighbors.

"For the love of Christ urges us on..." 2 Corinthians 5:14

There are many, many ways to build up this beloved community. If you have questions, please let us know! Contact the church office if you would like to know what a specific volunteer opportunity entails or about training.

All members are automatically assigned to a monthly service group to support our Sunday worship. You are asked to sign up to serve as a greeter, at the name tag station, or as a coffee server during your month. If it's a new experience, you will have support! If life happens, it's okay to not respond to a sign up request email. If you need to switch months, or need to opt out for health or other reasons, just let the church office know.

Thank you for your works of faith, labors of love, and your hope in our Lord.

Please let us know the members in your household and use initials to indicate which family member will be volunteering in a particular area. If needed, let us know of any updates to your contact information.
